

# Analytical Eagle

(Part 2)

## Review:

Analyticals hunger for two things: Understanding and Excellence.  
 Their reaction phrase to life: "I've got to make sure I do it right."

### Physical Traits of the Eagle

### Character Traits of the Analytical

\* For points 1-7, please refer to last week's hand-out.

8. When properly taught, eagles can \_\_\_\_\_  
 higher than almost any other living creature.

**Obadiah 1:4 ...you soar like the eagle and  
 make your nest among the stars.**

8. When properly taught, Analyticals can soar  
 and reach heights of \_\_\_\_\_

and freedom in God's presence that few have  
 ever experienced.

**Phil 4:4-13 REJOICE in the Lord always. I will say it again: REJOICE! Let your GENTLENESS be evident to all. The Lord is near. DO NOT BE ANXIOUS about anything, but in everything, by prayer and petition, WITH THANKSGIVING, present your requests to God. And the PEACE of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. Finally, brothers, whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable--if anything is excellent or praiseworthy--THINK ABOUT SUCH THINGS. Whatever you have learned or received or heard from me, or seen in me--put it into PRACTICE. And the God of PEACE will be with you. I rejoice greatly in the Lord that at last you have renewed your concern for me. Indeed, you have been concerned, but you had no opportunity to show it. I am not saying this because I am in need, for I have LEARNED to be CONTENT whatever the circumstances. I know what it is to be in need, and I know what it is to have plenty. I have learned the secret of being content in any and every situation, whether well fed or hungry, whether living in plenty or in want. I CAN do EVERYTHING through him who gives me strength.**

When an Analytical finds the \_\_\_\_\_ of the Holy Spirit, they can do amazing things!

Analyticals outwardly recognized by \_\_\_\_\_.

They have an internal \_\_\_\_\_ they constantly feel; but have zero \_\_\_\_\_ way to release stress.

Feeling like everything is their responsibility results in negative attributes:

- |                              |                               |
|------------------------------|-------------------------------|
| - Awkward                    | - Insecure                    |
| - Easily embarrassed         | - Frustrated/Paralyzed        |
| - Avoid the limelight        | - Feel guilty                 |
| - Wrong response to praise   | - Wrong response to criticism |
| - Hard time feeling accepted | - Very sensitive              |

- Feel nothing I do is good enough

- Takes things personally

The Analyticals greatest battle is for \_\_\_\_\_!

**Is 40: 31 (KJV) But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.**

**Ps 103:1-5 Praise the LORD, O my soul; all my inmost being, praise his holy name. Praise the LORD, O my soul, and forget not all his benefits-- who forgives all your sins and heals all your diseases, who redeems your life from the pit and crowns you with love and compassion, who satisfies your desires with good things so that your youth is renewed like the eagle's.**

Two things for an Analytical to learn to be mighty in prayer:

1. Be confident that God \_\_\_\_\_ you and is pleased with you.

**Ps 147:11 The LORD delights in those who fear him, who put their hope in his unfailing love.**

**Rom 8:1 Therefore, there is now no condemnation for those who are in Christ Jesus.**

2. To cast your \_\_\_\_\_ upon The Lord.

**1 Peter 5:7 (NLT) Give all your worries and cares to God, for he cares about what happens to you.**

**Ps 19:14 May the words of my mouth and the meditation of my heart be pleasing in your sight, O LORD, my Rock and my Redeemer.**

### **Connecting to an Analytical**

#### **Don't.....**

1. Don't \_\_\_\_\_ them
2. Don't \_\_\_\_\_ them
3. Don't make sudden changes
4. Don't be \_\_\_\_\_
5. Don't make them feel guilty
6. Don't expect spontaneity
7. Don't demand \_\_\_\_\_

#### **Do.....**

1. Give them \_\_\_\_\_ assignments
2. Give them specific timeframes
3. Give them \_\_\_\_\_ before changes
4. Give them \_\_\_\_\_ why changes will improve quality
5. Do give appreciation
6. Be sensitive and soft-spoken in your approach
7. Promote their \_\_\_\_\_
8. \_\_\_\_\_
9. Be loyal
10. Be \_\_\_\_\_
