

# Understanding + Peace Excellence + Enthusiasm

## Analytical Relationships

### Analytical + Amiable

They are more \_\_\_\_\_ than they are opposite.

Analytics hunger for understanding and excellence.  
Amiables hunger for relationships and peace.

When problems arise, Analytics want to \_\_\_\_\_ about it; Amiables want to \_\_\_\_\_ it.

***Ps 19:14 May the words of my mouth and the meditation of my heart be pleasing in your sight, O LORD, my Rock and my Redeemer.***

Analytics want \_\_\_\_\_ in their communication. Their feelings are deep and complex and long to be understood.

Amiables don't typically offer up information unless \_\_\_\_\_. They are more content to listen. Thoughts and feelings don't run near as deep.

Analytics are more \_\_\_\_\_ and can easily feel overwhelmed.

Amiables roll with the punches without losing their \_\_\_\_\_.

Amiable: get involved and \_\_\_\_\_ the burden.

Analytics need to \_\_\_\_\_ perfectionist standards and appreciate effort.

Amiables need to put forth more \_\_\_\_\_ than what feels "normal" and don't be a sluggard.

***Ecc 4:9 Two are better than one, because they have a good return for their work:***

***Ecc 5:19 Moreover, when God gives any man wealth and possessions, and enables him to enjoy them, to accept his lot and be happy in his work--this is a gift of God.***

## Analytical and Expressive

True \_\_\_\_\_.

Problems will arise if you don't savor and \_\_\_\_\_ the differences throughout the relationship.

The Expressive is \_\_\_\_\_ and inaccurate (embellishing stories); two of the biggest crimes in the life of an Analytical.

Analyticals have to have a \_\_\_\_\_ to relax and play. For Expressives, relaxing and playing \_\_\_\_\_ the reason!

Analyticals enjoy serious, intellectual \_\_\_\_\_. Expressive conversations are often flighty and entertaining.

Have a serious, sensible conversation together at least \_\_\_\_\_ a week.

Expressives enjoy spontaneity and seek \_\_\_\_\_. Analyticals enjoy routine and security.

Expressives are \_\_\_\_\_. Analyticals are \_\_\_\_\_.

**1 Cor 4:2 Now it is required that those who have been given a trust must prove faithful.**

Analyticals \_\_\_\_\_ of themselves more than Expressive, but with strings attached. Expressives either give \_\_\_\_\_ or give without expectations.

**Deut 15:10 Give freely without begrudging it, and the LORD your God will bless you in everything you do.**

Expressives want \_\_\_\_\_ and approval. Analyticals withhold attention and approval in an effort to bring about change.

Expressives want someone that will accept their less than \_\_\_\_\_ ways. Analyticals want someone that appreciates and understands them.

**Ps 97:10 Let those who love the LORD hate evil, for he guards the lives of his faithful ones and delivers them from the hand of the wicked.**

**1 Cor 10:13 No temptation has seized you except what is common to man. And God is faithful; he will not let you be tempted beyond what you can bear. But when you are tempted, he will also provide a way out so that you can stand up under it.**
